WELCOME

THANK YOU

"My Grandma has been gone from us for a little over 11 years now, and today I got a (huge) reminder of the kind of person she was and just how much she was loved. She ingrained herself in her town and within her church. Makaila and I received proof of that today. I have not stepped foot in that church in probably 20 years and Makaila never has. But yet still, because of who we are to Phyllis and what she was to that church, Makaila received a huge outpouring of love from Locust Valley Bible Church. Thank you, Vicki Cramer Wetzel and the entire LVBC congregation, I am truly overwhelmed. I'll be sure to come by and bring Makaila next time we're in town so everyone can meet her and so we can say thank you in person. We love you all."
